Joyce Keller

Say Good-bye One More Time

Have you ever experienced a breeze in a closed room? A brush on the cheek when no one is there? A whisper that sounds like the voice of someone who has passed away? Perhaps it is coincidence or perhaps it is the beginning of spirit communication.

In *Seven Steps to Heaven* noted psychic Joyce Keller clears up misconceptions about the afterlife and reveals the various ways in which those who have crossed over make contact with us. With clarity and compassion she shares for the first time her successful Connection Technique that makes it possible for anyone to bridge the divide between the living and the dead. Developed over a period of twenty years, Keller's Connection Technique involves seven simple and safe tools:

1. angels and spirit teachers
2. prayer and affirmations
3. meditation
4. dreams
5. a spirit space
6. sound
7. a labyrinth

Seven Steps to Heaven offers comfort and hope to everyone who has experienced the profound loneliness and sadness that comes with the death of a family member, a dear friend, or a pet.
