Centurion Valens and the Empress of Death

James Mace

Centurion Valens and the Empress of Death James Mace

In the year 44 A.D., following the Conquest of Britannia, Centurion Valens returns to Rome in Triumph. It will be his last official act as a soldier of the Empire, as he looks forward to a well-deserved retirement. Instead, a night of drunken debauchery leads him into a web of deceit, betrayal, and unholy lust. Valens tries to salvage his sanity and his life as he plunges further down a harrowing descent into madness, wrought by the hands of the Empress Messalina herself.
