The *New York Times* bestselling author of *At the Drop of a Hat* returns to her London hat shop with a fresh tale of milliners and murder.

For Scarlett Parker, part of the fun of living in London is celebrating the British holidays, and she's excited to share her first Bonfire Night with her cousin Vivian Tremont. Invited to a posh party by their friend Harrison Wentworth, Scarlett and Viv decide to promote their hat shop, Mim's Whims, by donning a few of their more outrageous creations. The hats prove to be quite the conversation starters as the girls mix and mingle with the guests—never suspecting that one of them is a killer.

It's a cold, clear night, perfect for the British tradition of tossing a straw stuffed effigy of Guy Fawkes, traitor to the crown, onto the bonfire. But instead of a straw man, they realize in the heat of the moment that the would-be Guy Fawkes is actually Harrison's office rival and he's been murdered. Before the smoke has cleared, Harrison is the Metropolitan police's prime suspect, and Scarlett and Vivian must find the real homicidal hothead before their dear friend's life goes up in flames.

Jennifer Stephens:

As a pupil exactly feel bored for you to reading. If their teacher asked them to go to the library as well as to make summary for some guide, they are complained. Just little students that has reading's heart and soul or real their pastime. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that reading is not important, boring and can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Copy Cap Murder: A Hat Shop Mystery can make you truly feel more interested to read.
