**Fever** Elizabeth Lowell

*Rancher Rye swore he'd never get burnt again, but now he's feeling the heat . . .* - Lisa Johansen, world traveler, had tasted the exotic and seen the extraordinary. But when a rancher called Rye came into her life, he ignited a feverish desire foreign to her mind, her body, her soul . . . Rye was certain Lisa was like the gold-digging women in his past. He'd been burned before, and he vowed he would make no more mistakes. Still, he found it hard to resist her. Before he knew it, he'd gotten dangerously close to the flame. But it was too late – he was addicted to the fire.

This is a first time regular print hardcover previously available in a mass market edition.

### From reader reviews:

#### Mark Ames:

Book is usually written, printed, or descriptive for everything. You can know everything you want by a publication. Book has a different type. We all know that that book is important thing to bring us around the world. Beside that you can your reading talent was fluently. A book Fever will make you to always be smarter. You can feel a lot more confidence if you can know about anything. But some of you think this open or reading the book make you bored. It is not make you fun. Why they might be thought like that? Have you in search of best book or ideal book with you?

#### Margaret Hall:

In this 21st hundred years, people become competitive in every single way. By being competitive today, people have do something to make these survives, being in the middle of the particular crowded place and notice by means of surrounding. One thing that at times many people have underestimated it for a while is reading. Yeah, by reading a book your ability to survive raise then having chance to stand up than other is high. In your case who want to start reading a new book, we give you this kind of Fever book as beginning and daily reading publication. Why, because this book is usually more than just a book.

#### Gwen Anderson:

Precisely why? Because this Fever is an unordinary book that the inside of the reserve waiting for you to snap it but latter it will surprise you with the secret the item inside. Reading this book adjacent to it was fantastic author who have write the book in such amazing way makes the content inside of easier to understand, entertaining means but still convey the meaning fully. So , it is good for you because of not hesitating having this any more or you going to regret it. This excellent book will give you a lot of benefits than the other book get such as help improving your proficiency and your critical thinking means. So , still want to hold up having that book? If I ended up you I will go to the e-book store hurriedly.

#### Michele Williams:

As a scholar exactly feel bored to be able to reading. If their teacher inquired them to go to the library or even make summary for some book, they are complained. Just little students that has reading's heart or real their leisure activity. They just do what the professor want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that examining is not important, boring in addition to can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Fever can make you feel more interested to read.
