Two CEOs and a Superhero. That is what this boxed set contains along with some women strong enough to take them on and give them a run for their money. There is even a bonus CEO in the short story, Cupid Must Be Irish.

I like men. I especially like men that are strong enough to admit they are wrong, occasionally - hey they're still men, were you expecting miracles? If this is the first Lovers and Other Strangers set you are reading, Welcome! May I suggest picking up the previous boxed sets, Boston Stories and Salvation N.M. You can enjoy these stories regardless but getting the other stories, it feels like a big family reunion. Oh, The superhero's day job is as a Vice-Principal, don't be fooled.
