Have you always been intrigued by origami, but often found the diagrams confusing or the models uninspiring? *Origami 101* is here to help. Geared toward the absolute beginner, this book contains more than 40 amazing folding projects for the whole family and includes models that evolve from one of four basic origami shapes. A revolutionary illustration enhancement called Glow Fold makes the diagrams and video steps easy to understand. With the introduction of every folding symbol, you'll find a detailed sidebar explaining what it means and a symbol index bookmark that guides you to these sidebars whenever you need to be reminded. If you need more help, just pop the accompanying DVD into your computer and go directly to the video of any model.

In these pages, you'll learn how to create:

- A roosting robin
- A flowering branch
- A flying dragon
- A sea turtle
- A Tyrannosaurus Rex
- A tree ornament
- A tropical fish
- A graceful swan
- And so much more

With the help of origami enthusiast Benjamin Coleman, you'll learn how this classic craft can be enjoyed by all ages. Amuse yourself and delight your friends with these captivating folded figures!
