## **Your Cheatin' Heart: A Novel** Nancy Bartholomew

Once upon a time Maggie Reid had a nice home, a rich husband, and an adoring daughter. But that fairy-tale life hit the skids when her no-good man left her for a busty blonde, and her rebellious teenage daughter went with him. Maggie's mama didn't raise no fool, though. Wide-awake and smelling the Starbucks, Maggie decides to follow her heart and becomes a country-western singer at the Golden Stallion Club.

There, she glimpses her destiny--a lanky cowboy in steel-tipped boots and tight jeans. Though she's determined to meet Marshall Weathers, she sure isn't desperate enough to kill her pesky ex-brother-in-law, Jimmy, to do it. As fate would have it, Weathers is the detective investigating Jimmy's murder, and Maggie is his leading suspect. Unless she wants to sing the prison blues, Maggie's got to do some fancy two-stepping to expose Jimmy's true killer--and find her true love.

### From reader reviews:

#### Todd Jacobs:

What do you about book? It is not important with you? Or just adding material when you really need something to explain what the ones you have problem? How about your time? Or are you busy particular person? If you don't have spare time to complete others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? Everybody has many questions above. They must answer that question mainly because just their can do that. It said that about book. Book is familiar in each person. Yes, it is appropriate. Because start from on pre-school until university need this Your Cheatin' Heart: A Novel to read.

#### Carmen Annunziata:

Information is provisions for individuals to get better life, information today can get by anyone from everywhere. The information can be a understanding or any news even an issue. What people must be consider any time those information which is inside the former life are difficult to be find than now could be taking seriously which one works to believe or which one the resource are convinced. If you obtain the unstable resource then you have it as your main information we will see huge disadvantage for you. All of those possibilities will not happen with you if you take Your Cheatin' Heart: A Novel as the daily resource information.

#### Sharon Works:

Playing with family in a park, coming to see the ocean world or hanging out with friends is thing that usually you may have done when you have spare time, subsequently why you don't try point that really opposite from that. 1 activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition info. Even you love Your Cheatin' Heart: A Novel, it is possible to enjoy both. It is excellent combination right, you still desire to miss it? What kind of hangout type is it? Oh can happen its mind hangout men. What? Still don't obtain it, oh come on its named reading friends.

#### James Ojeda:

Within this era which is the greater individual or who has ability to do something more are more valuable than other. Do you want to become among it? It is just simple strategy to have that. What you have to do is just spending your time not much but quite enough to enjoy a look at some books. One of many books in the top checklist in your reading list is Your Cheatin' Heart: A Novel.
