Chase away those winter and work blues with these tropical delights.

**A Bubbly Holiday** ~ Lots of bubbles and a hot temper provide Ellen with her only protection when a handsome intruder bursts into the bathroom of her tropical island resort. But good manners dictate she share the champagne...

**Moonstone Magic** ~ Caitlyn and her boss Jack had been attracted to each other once, but all that joins them now is work. At a little, wooden beach house in the remote tropics, they see each other with new eyes—although that story about her mum's moonstones having magic powers is nonsense. Isn't it?

**Lifesaver** ~ If you're going to be saved from certain death, your lifesaver may as well be tall, dark and handsome. That's what Alexa thought when a gorgeous stranger rescued her from the raging surf. But when she recovers and wants to thank her hero, she can't find him. Luckily, fate takes a hand.
