Why Backyard Farming?

Have you been looking for a way to simplify your life? To save money? To create a common pursuit that will bring your family closer together? One of the best, easiest, and most satisfying ways to do ALL of these things is to prepare mini farms in your own backyard. It's called a "backyard farm" or "mini farm." It's a hobby that provides sustenance and cost-savings even in times of plenty and protects families against potentially devastating effects of a job loss or financial disaster. A mini farm produces homegrown food that is healthier AND less expensive than anything you could buy at your local supermarket.

Everything You Need to Begin Your Own Backyard Farm
