Comprehensive Textbook of Genitourinary Oncology

Comprehensive Textbook of Genitourinary Oncology

The first major textbook to focus on the field of genitourinary oncology from a multi-disciplinary perspective, this book should be read by everyone from practicing physicians to those just entering their training. The Journal of the National Cancer Institute called the previous edition "the definitive textbook" in the field. Since that edition, enormous changes have taken place in the diagnosis and treatment of prostate cancer. The Second Edition reflects those changes and contains up-to-date and expanded information in other areas as well.
