That even though you're paid on commission, you can adhere to the "Golden Rule." This book is perfect for new licensees, but will be also be helpful for experienced agents looking for a fresh approach. Reader Reviews "I'm reading every real estate-related book I can get my hands on, including the big names, and by far, have found your book the most useful, helpful and entertaining. It is packed with information that is not taught in real estate school and is invaluable to a new agent. I can't say enough good things about your book. You are the agent I aspire to be once I am in the business." "In my quest to become the best darn agent I can be, I have read too many books to count. And none of them talked much about selling with integrity, much less making it enjoyable. I can't thank you enough for the very practical, doable, down to earth ideas you put in your book. I believe it will make a big difference for me."
