#### **Nancy Byrom:**

As a pupil exactly feel bored to reading. If their teacher asked them to go to the library or even make summary for some reserve, they are complained. Just very little students that has reading's soul or real their passion. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring along with can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this The Complicated Geography of Alice can make you really feel more interested to read.
