Douglas Adams

The Ultimate Hitchhiker's Guide to the Galaxy Douglas Adams

At last in paperback in one complete volume, here are the five classic novels from Douglas Adams's beloved Hitchhiker series.

The Hitchhiker's Guide to the Galaxy

Seconds before the Earth is demolished for a galactic freeway, Arthur Dent is saved by Ford Prefect, a researcher for the revised *Guide*. Together they stick out their thumbs to the stars and begin a wild journey through time and space.

The Restaurant at the End of the Universe

Facing annihilation at the hands of warmongers is a curious time to crave tea. It could only happen to the cosmically displaced Arthur Dent and his comrades as they hurtle across the galaxy in a desperate search for a place to eat.

Life, the Universe and Everything

The unhappy inhabitants of planet Krikkit are sick of looking at the night sky— so they plan to destroy it. The universe, that is. Now only five individuals can avert Armageddon: mild-mannered Arthur Dent and his stalwart crew.

So Long, and Thanks for All the Fish

Back on Earth, Arthur Dent is ready to believe that the past eight years were all just a figment of his stressed-out imagination. But a gift-wrapped fishbowl with a cryptic inscription conspires to thrust him back to reality. So to speak.

Mostly Harmless

Just when Arthur Dent makes the terrible mistake of starting to enjoy life, all hell breaks loose. Can he save the Earth from total obliteration? Can he save the *Guide* from a hostile alien takeover? Can he save his daughter from herself?

From the Trade Paperback edition.
