From Rowan Keats--author of "To Kiss a Kilted Warrior, When a Laird Takes a Lady, "and "Taming a Wild Scot"--comes the newest entry in the Claimed by the Highlander novels... In the Highlands of Scotland, danger and desire can be found anywhere but finding them may lead to something much more perilous and passionate than anyone can handle. Lady-in-waiting Caitrina de Montfort is in a terrible bind. With her sister held captive by a henchman of Edward Longshanks, she has been forced to spy on the dowager queen of Scotland. But the resourceful young noblewoman has a plan to set her sister free until the arrival of a charming but steely-eyed courtier ruins everything. Bran MacLean has made his living by his wits for most of his life. After stealing a valuable treasure, he evades pursuit by donning a disguise and joining the queen's retinue. All goes well until the lovely Caitrina pilfers his loot and demands his aid in rescuing her sister. But their enemy is ruthless and they soon find themselves facing a desperate choice between love and survival..."
